(Approved by AICTE and Affiliated to JNTUH)

COMPUTER SCIENCE AND ENGINEERING

INDUR INSTITUTE OF ENGINEERING & TECHNOLOGY

INDUR INSTITUTE OF ENGINEERING & TECHNOLOGY is a brain child of INDUR Educational Society. The society was founded in 1988 with a dream to establish and nurture institutions of excellence offering value based and quality education in Management, Arts, Science, Engineering and Technology. The society has so far established institutions of higher learning at Bodhan in Nizamabad District of Telangana to conduct courses in Computer Science, Education and Vocational Training. All these institutions have recorded excellent academic performance and are relentlessly striving to stand of crowd.

Vision:

To be among the most preferred institutions for Engineering and Technological education in the country. An institution where ethics, excellence and excitement will be the work religion and improvement, innovation & impact, the work culture.

Mission:

- To turn out disciplined and competent engineers with sound work and life ethics
- To train and educate students to produce a galaxy of young professionals of outstanding ability who can become leaders in their profession.
- To impart high quality education by providing the ambience needed for developing requisite skill for excellence in education and industry.
- To develop collaborative research and consulting environment with industry and other institutions.
- To encourage all-round academic rigor and excellence

COURSES OFFERED

B.TECH.

1. Civil Engineering
2. Computer Science & Engineering
3. Electronics & Communication Engineering
4. Electrical and Electronics Engineering
5. Mechanical Engineering

M.TECH.

1. Computer Science & Engineering
2. VLSI System Design
3. Power Electronics
4. Structural Engineering

PG Course:

1. Master of Business Administration (MBA)

Diploma Courses:

1. Electrical and Electronics Engineering
2. Electronics and Communication Engineering
3. Computer Engineering
4. Mechanical Engineering

D.VOC. Courses

1. Electronic Manufacturing Services
2. Production Technology
3. Refrigeration and Air Conditioner

PMKVY Courses

1. Solar Panel Installation Technician
2. TV Repair Technician
3. Field Technician – Computing and Peripherals
4. Field Technician – AC

INDUR INSTITUTE OF ENGINEERING AND TECHNOLOGY – was established in the year 2001 with Three B.Tech Courses. Institute offers B.Tech CSE, ECE, CIVIL, MECHANICAL and EEE courses with a current intake of 420, apart from M.Tech Courses and MBA course. The intake for MBA is 60 with a total 120 students in the department. The student strength of the institute is 2460 under various streams.

INDURiet offers Polytechnic courses since 2009 as a second shift courses and is considered as leading polytechnic in the surrounding area of Siddipet district with an intake of 300 and total student strength is 900. The growing importance of 3-year diploma course caters the gap of skill shortage and fulfills the requirement to make them industry ready.

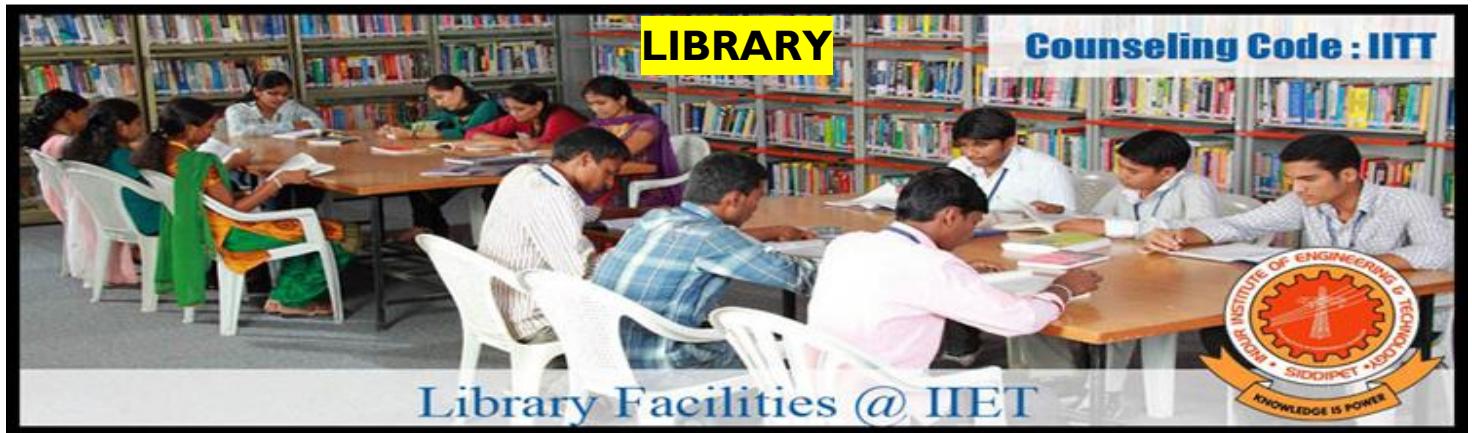

INDURiet has excellent infrastructure with adequate laboratories to nurture the skills required by current competitive technical world of innovations, well experienced and dedicated faculty render the services to make the student ready for tomorrow's cut throat competition. INDURiet Polytechnic adjudged the Best Polytechnic in Telangana Region.

To meet the goal of Digital India, Institute offers following skill Development courses under various streams, which is brain child of Honorable Prime Minister those are **PRADHAN MANTRI KAUSHAL VIKAS YOJANA - TI (PMKVY)** and Vocational Diploma Courses approved by AICTE and SBTET respectively.

FACILITIES @ INDURiet

The college library is the main center for students to carry out their scholastic activities. It helps students to get the knowledge from different sources such as Text and Reference Books, Magazines, E-journals and modern e-learning resources

More than 200 students can study in the reading hall. Reading Hall is kept open from 8 am to 10pm. During examination period reading hall is open 24/7 for male students to study.

For the security and added comfort, we provide buses for the transportation of our students. The routes and pickup points are clearly laid out, and you are requested to follow the timings set for the pickup. In addition to the transportation provided by us, RTC buses from all corners of the city ply to our college, since we are located at the center of the city. The students can choose their preferable mode of transportation

Different cultural activities are being performed along with sports activities in intra collegiate, intercollegiate, inter-university, intra-state and national level. Large number of students have participated in different events at inter-university; inter-group, intercollegiate levels. Our college has excellent sports facilities. The college has a Gymnasium along with sports and games: – cricket, football, Table Tennis, Badminton, Shuttle, Volley ball, athletics, etc. Students who are interested in the above are given special training

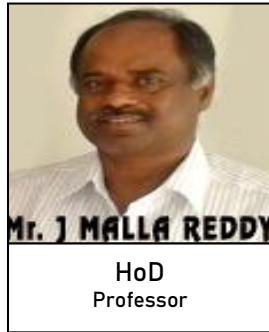

College has spacious canteen facility in the college premises and is run by college management. A variety of south Indian food and snack items are provided to the students and staff of the college at highly subsidized rates with highest quality. Our college canteen is blessed with family atmosphere, with a variety of delicacies, touched by a home made flavour, cooked to perfection and served with a great courtesy. Refreshments are available at the college canteen at affordable rates. Adequate seating facilities are provided to accommodate students and staff even during peak time.

ABOUT THE DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING:

Department of Computer Science & Engineering was established in year 2001 with eminent faculty members in the area of Computer Science & Information Systems. All the faculty members are Post Graduates and / or Ph.D from premier institutions. Most of the faculty members are members of professional bodies like ISTE, IETE and CSI. The Department of CSE offering Programme of B.Tech with an intake of 120. Apart from the course curriculum, the department is conducting various guest lecturers, seminars, workshops and webinars for improving the contemporary knowledge of the students. The faculty constantly motivates and transforms the students into industry standards.

Mr. J MALLA REDDY

HoD
Professor

Vision: Empowering students with the contemporary knowledge in Computer Science & Engineering for their success in professional career.

Mission:

- To provide quality education in the area of computer science in practical manner with innovative skills.
- To achieve self-sustainability and overall development through Research and Development activities.
- To inculcate professional, moral, ethical and human values among the student community.
- To prepare the students with good attitude, communication with interpersonal skills.

ACHIEVEMENTS

WEBINARS THROUGH VIDEO CONFERENCE WITH INDUSTRY EXPERTS

- Started Microsoft Innovation center as Software Development Lab.
- MoU with TASK to enhance the student skills and improve the placement ratio.
- Faculty Development Programme conducted on Rational Rose, Open Source Software and Mobile Adhoc Networks, etc...
- Successfully conducted technical programme such as seminars, workshops and webinars in the area of Network Security, Cloud Computing, Data analytics, Software Engineering and other related multidisciplinary areas.
- The faculty members of department have won many awards / honors for their knowledge and published research articles in various National and International Journals.

SUPPORTING DEPARTMENT HUMANITIES AND SCIENCE

The Department of Humanities and Sciences comprises the discipline of English, Mathematics, Physics, Chemistry and Environmental Science &Technology. Department of First year is an important supporting wing to all Engineering Branches. It consists of well experienced faculty members and is well equipped with adequate and Sophisticated Infrastructure.

Mr. ASWINI KUMARA MISHRA
PROFESSOR and HoD

Vision: To boost the fresher students with required concepts and make them sound in the engineering basics.

Mission: To utilize the teaching skills and infrastructure to make the student well prepared to tackle the remaining graduation years.

TRAINING AND PLACEMENT CELL

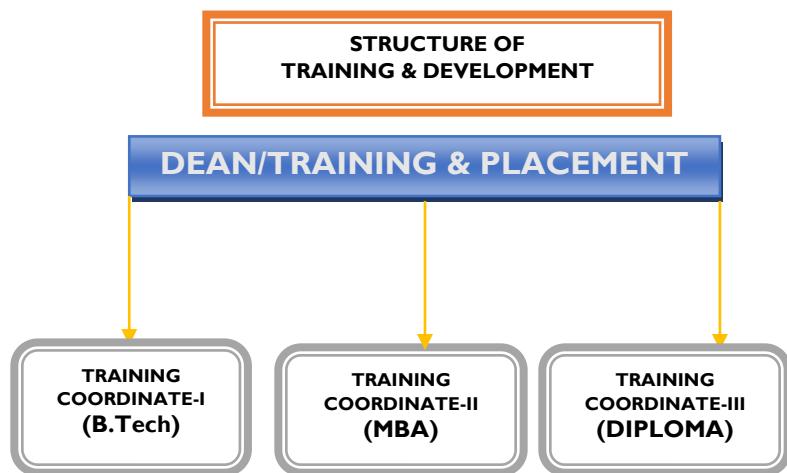

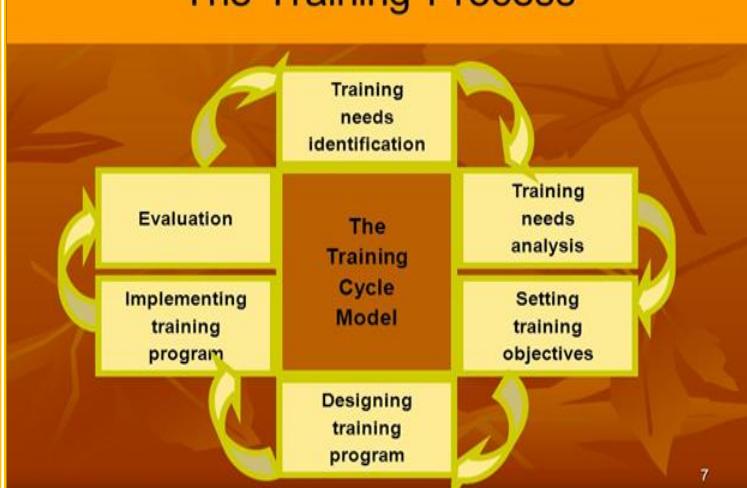

Training Division of IIET has been established with a great Vision to develop the potentials of students. It has got a great team to focus strongly on each and every student to enrich their skills effectively. The trainers of IIET are highly experienced & efficient corporate professionals. T& D aim to make the students as readymade products to reach corporate expectations. It develops Leadership qualities, Effective Communication and Self Confidence among the students to face any situation. The trainers identify core strengths of the students to concentrate more on them to achieve their goals effectively. The trainers' expertise always helps the students to remove their weaknesses and highlight their strengths. T& D team enhance the Employability Skills of students of all the branches from B.Tech (I-IV Year); MBA (I-II Year); Diploma (I-III Year). T& D organizes various Workshops ,Guest Lectures, Mock Interviews by Industrial giants. T& D creates healthy competition among the students by conducting Oral & Written tests. It organizes CRT program to attend the corporate tests & interviews confidently.

Vision: To produce highly skilled students to achieve their goals efficiently

Mission: To ensure an optimum development of each and every student of an Institution by providing effective training

Values: Commitment & Integrity
